Re: Fees for placing special assessments on the Yuba County tax rolls

Dear Boards and Consultants,

This email is to notify you that I have requested the Board of Supervisors increase the fees collected by my office for placing special assessments on the tax roll from \$.20 per parcel to \$.30 per parcel. This is a result of the increased costs associated with managing property taxes as a whole and, subsequently, managing the special assessments. The change will be effective for the 2025-2026 fiscal year.

I just received notice that the county's Master Fee Ordinance, which contains the proposed increase, will be on the Board of Supervisor meeting agenda for a first reading on Tuesday April 8, 2025. The second reading will be on Tuesday, April 22, 2025. If you have any comments for the Board, please make sure to attend those meetings.

I wanted to give you as much notice of the meeting as I had and also allow time for your organizations to consider this increase in preparation for the 2025-2026 fiscal year budget.

If you have any questions, please feel free to reach out. I will be happy to answer any questions you may have.

Sincerely,
