Good morning, Peter,

My name is Kayla, and I am from Yuba Water Agency. We are planning on hosting board trainings for all Yuba County Public officials free of charge in the spring. The training will include Best Board Practices, Ethics and Anti-Harassment Training. This will be provided free of charge.

I am working on gathering names and emails of all your current board members so that when the information goes out, we are ready to go.

Can you please confirm that these names are accurate for me?

Greg Holman- Chair
Peter Pillsbury- Director/ Clerk
Bart Young- Director
Justin DeVorss- Director
Charles Sharp- Director
Mike Butler- Chief

Thank you for your help.
