

DOHFPD Board of directors,

I would like to submit my name for the open position on the board. Although my main skill set is not politics I have been involved with the fire district since the mid 80's. I have held every position on the department from firefighter to chief until I had a disabling accident in 2018 which forced my retirement. I have worked with the board during that time. I've also been an EMT since 1977 until I let it expire this year.

I have worked most of my life as the outside manager of Collins Lake Recreation Area. Two of my sons work there now and are also on the fire dept. My education is in industrial design and technology.

I also helped start the local Boy Scouts troop 6400 in this area.

Most of you probably already know most of my local history and experience. I look forward to meeting with you to discuss the position.

If needed I can provide references from:

Pete Hammontree

Jon Messick

Randy Fletcher

Terry Uhrich (CHP)

Most of the current Firefighters and officers

Bart Young
