RE: Division of Medi-Cal Fraud and Elder Abuse, Outreach Program

We are writing to connect with the Dobbins Oregon House Fire Protection District to spread awareness about our mission and function as the California Medicaid Fraud Control Unit.

Our mission is to protect our most vulnerable citizens and help safeguard the state's Medi-Cal program. The Division of Medi-Cal Fraud and Elder Abuse works to investigate and prosecute those who would defraud taxpayers of millions of dollars and divert scarce health care resources from the needy. We also work diligently to protect residents in nursing homes and other long-term care facilities from abuse or neglect. For more information about our division and mission, please visit <https://oag.ca.gov/dmfea>.

As part of our outreach efforts, we would like to provide your fire station with an overview presentation from our division. Please let me know if you would like to schedule a virtual or in-person presentation for your fire station in the upcoming months.

We look forward to hearing from you. If you have any questions, please feel free to contact us at (916) 559-6180 or by email at DMFEAoutreach@doj.ca.gov.

Sincerely,

Renee Adame
