Hello Chief Mike Butler

Seniors on the Go, OES, and FREED, are meeting July 25th at 9 am at OES to establishing an emergency preparedness plan specifically for the Yuba Foothills. FREED already has a strong and well-established model in Nevada County, where various agencies come together to support the community, as many of their consumers rely on them during emergencies. I believe building on this foundation collaboratively will be invaluable for our region.

In fact, Seniors on the Go Yuba Foothills and FREED have an Emergency Preparedness Planning presentation scheduled for September 3rd here in Oregon House, (Red Cross and OES will be there as well) where we expect 80+ seniors to attend. It would be great if someone from the fire department could attend this as well.

Thanks

Margaret Fowler

530-270-9989

Chair, Yuba County Commission on Aging

Board Member, FREED

Board Member, DOHIF

Founder & Program Director, Seniors on the Go Yuba Foothills (under nonprofit YFACA)

As you can see from the flyer, we have 20 emergency preparedness bags to give out, and we are actively applying for grants and seeking additional support so that each senior can receive one, not just the initial 20.
