

(45-2025)

Dear valued customer,

6/24/2025

As you may know, Still Bros Inc. has been providing emissions testing for OBD (2013 and newer) and Non-OBD (2012 and older). We have been coming across some issues with CARB and their strict guidelines for submittal. Vehicles will not pass the Clean Truck Check in the CARB system unless the name, email and phone number used on your CARB profile matches exactly in our system. Since we do not have access to your profile, to ensure a smooth and accurate process we will need the following information to be provided upon request for testing. Name, phone number and email as it is listed on the CARB website. To retrieve this information please follow the steps below:

- Go to cleantruckcheck.arb.ca.gov/fleet
- Log into your account
- From the dashboard select "my details"

 My Entity	 Fees & Payments	 Alerts	 My Details	 Forms	 Five-Day Pass
View and manage Entity information, locations, and vehicles	View and manage payment preferences, make payments and view history	View and manage account alerts	View and manage person details	Fill out a new form, manage and view submissions	Request Five-Day Pass

- The Name and Email listed will be the information needed to complete the Clean Truck Check
