

Letter of Interest for DOHFPD Open Board of Directors Position

March 10, 2023

Dobbins/Oregon House Fire Protection District
PO Box 164
Oregon House, CA 95962

To Whom It May Concern,

Please consider me for your open Board position.

I value community service. Being involved in taking care of and improving our community is important to me. I think my past experience as a volunteer firefighter, connections in the community, and desire to part of our “fire solution” will allow me to be an asset to DOHFPD and our community.

I am a long time community member. In my youth, I attended Yuba Feather School and graduated from Marysville High before leaving for college and career.

Since returning to Yuba County in 2016, I have served on the DOHIF Board, as a volunteer firefighter (now inactive), as a lookout tower volunteer, and have done volunteer work for other local non-profit organizations.

Over the past 35 years or so, I have served on club Boards (San Jose Sailing Club, Santa Cruz Yacht Club Junior Sailing) and NPO Boards (Jordan and Kyra Foundation, Jacobs Heart).

I have a degree in biochemistry from UCSC, worked in technology as a software developer in the Bay Area, and currently “retired” except for operating a couple of small businesses and a small farm.

Thank you for your consideration.

Regards,

Peter Pillsbury, Jr.
